Plan your funeral and shop around

eziFunerals will help you find and select a funeral director you are comfortable with and who offers services at a reasonable price.

The best time to select a funeral director is when you have the peace of mind and time to make a considered choice without the emotional stress that occurs when someone close to you passes away.

It pays to do your homework

Not all funeral directors are the same and if you are selecting one for the first time, there can be a lot to consider. While they all offer similar services, their prices and facilities can be quite varied.

In my role as Celebrant, I find that the additional stress on families of arranging the funeral of their loved one can be emotionally overwhelming and may all feel just too hard. eziFunerals made it all much easier. Thank you eziFunerals for having the vision.

J.Rees, Celebrant

Due to living many miles away from my family, eziFunerals has enabled me to put in place a plan for my funeral, that encompasses how I would like it to be. This has given me piece of mind knowing that a huge burden will be taken away from my family, by having my personalised funeral plan in place. Thank you to eziFunerals.
